SPHERE RVX FRIDGE/FREEZERS

Sphere RVX fridge/freezers are available in six models to suit most needs and budgets. They are the perfect way to take a little bit of the comfort and convenience of home with you on all your camping and RV adventures.

Offered in two distinct styles, the skillfully designed End or Side Opening lid can be lifted from either side or removed completely in one simple motion.

- The RVX range features an LED display and push button controls so you can easily and accurately adjust and monitor your fridges temperature.
- The robust and refined cabinet utilizes a polypropylene construction with reinforced corners making it strong and easy to keep clean.
- The fully insulated cabinet and lid will keep your food and drinks cold and fresh during the hottest Australian summers.
- The entire RVX range comes with a protective cover as standard to help you protect your investment.
- Fold away carry handles make storing and lifting the fridge a breeze while offering a convenient point to secure the fridge while traveling.
- An internal LED light that switches on when the lid is open ensures you will always be able to see what you're looking for.
- A removable internal basket and separate dairy compartment allows you to organise your fridge how you like and easily clean and maintain it.
- 3 Year Warranty plus Additional 2 Year Parts Only Compressor Warranty.
